

Evan Lockhart Borman

Résumé

EMPLOYMENT

Memories To Digital

Lead Production Specialist

Apr 2008 – Apr 2009

Editing digitized analogue media into fully customized productions for re-presentation on DVD including color/exposure correction, audio manipulation in Adobe Audition. Menu, cover, and disc design.

Transfer Specialist

Nov 2007 – Apr 2008

Captured analogue media including: Film (8mm and 16mm), Video (miniDV, Hi8, VHS, VHS-C, Beta) photos, slides, negatives, etc. into editable digital files. Color correction, digital restoration of damaged assets in Photoshop.

Fischer Medical Technologies

Freelance Video Producer

July 2007- Aug 2007

Worked with client to set up project goals: producing, editing, and publishing DVDs. Set up shoot using lighting, camera, and audio for high quality product. Independently edited two-camera footage using Final Cut Pro into cohesive 1.5 hr training video to meet project deadline.

University of Colorado at Boulder Fine Arts Department

Digital Lab Monitor

Sep 2006- May 2007

Managed Mark Amerika's Experimental Digital Arts Studio (EDAS) and student lab. Maintained functionality of the digital lab network through routine troubleshooting. Assisted professors and students in project execution and software demonstrations. Recorded and edited digital footage of Visiting Artist lectures for online streaming.

InHouse Builders

Design Build Internship

July 2006- Aug 2006

Assisted in architectural design process, selection of materials, and client meetings. Learned the basics of green building techniques through demolition/deconstruction, installation of SIPs panels, excavation and foundation work.

9 Squared Inc.

Customer Service Representative
& Mobile Content Manager

May 2003- Aug 2004

Answered technical questions regarding distributed product via phone and e-mail communications from customers nationwide. Managed digital mobile content: received graphics, games, ringtones from providers, edited for length and content, ascertained file types/sizes and uploaded to database for wireless distribution.
